

Imperial Global 50/50 Prediluted Antifreeze Light-Duty Diesel & Gasoline Engine Coolant

Description: A premium quality ethylene glycol based antifreeze, designed to meet stringent corrosion protection requirements in all automobiles and light duty trucks.

Performance: Imperial Global 50/50 Prediluted Antifreeze provides 5 years or 150,000 miles of maximum protection when a complete cooling system flush and fill is performed. Meets ASTM D3306 and ASTM D-4340, as well as the performance requirements of General Motors GM6277M (DEX-COOL®). Imperial Global 50/50 Prediluted Antifreeze and coolant is both Silicate-free and Phosphate-free for use in Japanese and European vehicles respectively.

Applications: Imperial Global 50/50 Prediluted Antifreeze engine coolant is ready to use "as-is". Compatible for use in all automobiles and light duty trucks regardless of make, model, year or original antifreeze color. Recommended where enhanced rust and corrosion protection is a requirement.

Typical Properties:	
Appearance	Amber
pH	8.0
Freezing Protection, °F	-34
Boiling Point, °F	226
Water solubility, %	100
Reserve Alkalinity (As Received)	Report
Specific Gravity, 60/60 °F	1.07
